Monday, September 11, 2017, will mark the eleventh year we will be holding a Day of Remembrance and Honor after the terrorist attacks on our country in 2001. We will again be honoring our country and the brave men and women who have served or are currently serving in the armed forces or as police officers, fire fighters, or rescue workers.

This year will be the 16th anniversary of the terrorist attacks on the greatest nation in the world. It seems like time has gone by so fast, but the events that took place on that terrible day are still so vivid.

This year on Monday, September 11, we will gather once again from sunrise to sunset on the Main Street (242) bridge over Highway 10 in Coon Rapids. I invite you and our country's veterans to join members of the US Air Force, Army, Navy, and Marines; patriotic Americans; local fire and police departments; rescue workers; the Patriot Guard; and lawmakers for this Day of Remembrance and Honor. It would be wonderful if YOU would take part in this honoring of our country and the brave men and women currently serving, as well as remembering all the innocent lives that were taken that day. I know that it will be a great honor for me to attend this special event, and I hope it will be for each of you as well. Remember to bring your flag!

Last year we had people on the bridge from many different communities and it was a great day! I was honored to be there with so many good people. I look forward to seeing the Coon Rapids, Andover, Ramsey and possibly Anoka Fire Departments on the bridge with their fire trucks and the Coon Rapids Police Department with their squad cars.

As has been taking place over the past years, the Minnesota Red Cross Bloodmobile will be in the Lowe's parking lot on Monday from 8 a.m. to 2 p.m. (Lowe's is at the southeast corner of Highways 10 and 242). If you would like to donate blood, please contact me at 763-427-4667 (home), or 612-250-4926 (cell) to set up your appointment. If you leave a message, I need your name, phone number with area code, 2 to 3 possible donation times between 8 a.m. and 1:45 p.m., and the best time to call you back. Please speak clearly.

I am anticipating a great turnout on Monday, September 11, and look forward to seeing YOU on the bridge! Let us remember that freedom is never free. Too many brave men and women have sacrificed their lives for our freedom since 1776. We, as Americans, continue to be saddened by the lives lost of loved ones that have sacrificed their lives for our freedom.

God bless America and God bless all of the brave men and women who keep us safe, whether they are fighting on foreign soil or protecting us here at home.
